2014 PT Summer League – Viking Low Bounce (Cincinnati)

SUMMER RECAP

Participation Totals / Final Standings / A-B Tournament Results

2014 Summer Recap:

Thanks to all participants and to the Glendale Lyceum for making Cincinnati's first Summer PT League (Viking Low Bounce League – Cincinnati) a success. A total of 43 different players participated and nearly 300 "official" sets were completed. Most matchups were competitive and everyone seemed to enjoy the nights they were able to play. The consensus is that summer PT is at least as enjoyable as winter PT and Viking's low bounce balls delivered on all promises to make the sport more playable in warm weather. Regular season play consisted of court-by-court round robin play and lasted for seven weeks from April 30th to June 11th. A 24-player A/B tournament was held on June 18th to conclude the season. I look forward to continuing the league next year and growing summer play in Cincinnati.
